*Merciful God, you have prepared for those who love you
such good things as pass our understanding:
pour into our hearts such love toward you
that we, loving you in all things and above all things,
may obtain your promises,
which exceed all that we can desire;
through Jesus Christ your Son our Lord,
who is alive and reigns with you,
in the unity of the Holy Spirit,
one God, now and for ever.*

Can You Please Help on Saturday 20th July? ... it is looking hopeful that our building project will be able to begin with the demolition of the old hall in September. Prior to that, we are anticipating that the utilities providers will be cutting off the electricity and gas sometime in August. In preparation for all this, we will be moving many items from the church hall on the morning of 20th July, starting at 9.30 am. This will involve making space for some items to be stored in the side chapel, taking across to the church some tables and stacking chairs, the bowling mats, the fridge/freezer, etc. Also, providing we can find the necessary transport, taking some stacking chairs to be stored in a garage for long term storage. If you are able-bodied and can help, this would be much appreciated. Please let Andrew or me know asap. Many thanks, Margaret.

CMS/ Katia Rocks Display Board ... please take a look at the new display on the board at the back of church which highlights work being done by Katia Rocks in Brazil. Despite currently undergoing chemotherapy, she is working with women's groups both at her church and in the local prison. More information can be found at <https://churchmissionsociety.org/people-in-mission/katia-rocks-brazil/> where there is also a button to 'sign up' to receive her newsletters directly (about 3 per year). St Andrew's makes a significant financial contribution to her work through CMS (Church Mission Society).
